

# Citations Document

Maddy Wilcox  
Independent Work 2

# Instructions

- Make a copy of this document in your own google drive
- Fill in your name and the name of the class project
- Fill in each slide as instructed. Replace any red text with your own text.
- When you are ready to submit an assignment, download this completed document as a .pdf and upload it along with your art submission in Brightspace.

# Final Artwork

# AI Disclosure

Were any AI tools or workflows used in the creation of this work? If so, describe the tool, how it was used, and if applicable, provide a screenshot of what was generated using the tool.

No AI tools were used in making this.

# Use of resources

Were any parts of the final image traced from a photo, or using a photo as a texture? If so make sure to include citation slides for these as well.

N/A

# Creative Process

For this assignment I tried to go back to the fantasy landscape idea and practice it some more. I started with the background and then added more and more layers to try to add depth. Finally I experimented with effects like glow, lighting, and blurring to try to add some more interest to the painting.
